

Hand-Held Stencil Printer

Trend's hand-held stencil printer is the most convenient method of generating instant, on-location stencils from a small, hand-held portable printer.

Ideal for printing variable information, or generating any short-run stencil such as:

- Serial Numbers
- Part Numbers
- Dates
- Batch/Lot Numbers
- Text

How to use the printer

Contained inside the printer is a tape cassette, using a special etching tape, compatible with Trend's electrolytic metal etching systems.

Simply type the desired message and press "Print" - the stencil is automatically printed and dispensed and can be used to etch 5-10 parts.

Compatible with label tapes

This stencil printer accepts self-adhesive tapes and can therefore be used as a complete labelling system for folders, shelves and other items!

Simple and Easy

1. Type Message

2. Print Stencil

3. Etch Part

Technical Information

Hardware	
Housing Dimensions	114(W) x 235(D) x 86(H) (mm)
Housing Design	Handheld
Housing Weight	560g
Housing Colour	Dark Blue
Key Board	Rubber, ABCD and Numeric keys
Number of Keys	56 (55 + On/Off key)
Cutter	Manual Cutter and Tape Cut Pause
Power	6 x AA Type Alkaline (included) 6 x AA Rechargeable Batteries (not included) Optional AC-Adapter(Type : Model-AD-3000/PT)
LCD	15 x 2 lines
Tape Type	TZ Tape
Items Included	User Guide Adjustable wrist/neck strap 6 x AA Alkaline Batteries
Tape Size	6, 9, 12, 18, 24, mm
Print Head	180 dpi
Print Height	18.1mm
Print Speed	10 mm / sec.

Etching Cassettes

Firmware	
Number of Lines	Max. 7 lines
Number of Blocks	Max. 50 blocks
Text Buffer	Approx. 500 characters.
Max. Label Length	1 m
Repeat Printing	1 - 99
Automatic Numbering	1 - 99
Mirror Printing	Yes
Font	Helsinki
Included Font Size	15 / 21 / 28 / 44 / 56 / 88 / 120 dot (Big Font : 56 / 88 / 120 dot)
Type Sizes	8 (Automatic)
Type Styles	Bold / Outline / Italic / Italic bold / Italic outline + Normal
Frames	14 + "OFF"
Pre-formatted Label Templates	10
Layout Preview	Simple Preview
Memory	Approx. 2,000 characters.
